BCI Professional Practices Training

INTRODUCTION TO ORGANISATIONAL RESILIENCE TRAINING COURSE

Course Description

This course is designed to introduce the concept of organizational resilience and to provide students with a practical approach to build on the foundation of their existing skills and knowledge to develop and enhance resilience capabilities for their organizations.

Business continuity principles and practices are essential to building resilience in organizations. Developing effective resilience capabilities requires a collaborative approach between established management disciplines. This course reflects the current global thinking at an international level.

Course Objectives

- To provide delegates with an overview of organisational resilience
- To engage in workshop discussions about organisational resilience
- To consider the principles, attributes and implementation of resilience
- To enable delegates to share their knowledge, expertise, experience and ideas about organisational resilience

Who should attend?

- Risk management and business continuity / resilience practitioners who require an understanding of contemporary approaches to building organisational resilience
- Individuals with responsibility for overseeing, supporting or building resilience capability within their business areas or organisation

Key Topics

Module 1 What is organisational resilience and why does it matter?

- Organisational resilience: what is it?
- Resilience in organisations
- Structures of organisations
- Culture / corporate governance
- Leadership / supply chain / questions for OR planners
- Components, models, steps

Module 2 Building and Sustaining Resilience

- Life before, during and after an event
- How to build / sustain capability
- Threats and consequences landscape

Certificate of Attendance

All students will receive a certificate of attendance from BCI and will be notified by BCI about seasonal membership offers.

Continuing Professional Development (CPD)

Participants will earn 8 hours towards their CPD on completion of this course.
